

Evening Barn Hire Information

The Moors Valley Visitor Centre, an 18th century barn, is an ideal venue for evening functions from corporate parties to birthday celebrations and wedding receptions. The hire of the barn includes the use of the ground floor barn area, the patio to the rear of the building, toilets and a caretaker on duty.

Option A: Basic Barn Hire

DIY Barn Hire: £500

Please note a £100 non-refundable deposit will be asked for on booking.

You may organise your own catering for the evening but please be aware access to the kitchen and Information Point areas is not allowed. When the weather permits you may have a BBQ on the back patio. You may bring along your own drinks and glasses, as long as no alcohol is being sold on the premises.

There will be a Ranger on duty for the evening of your hire, however it will be your responsibility to set the building up for your hire. It is also your responsibility to leave the barn at the end of the hire in the condition that it was let and to ensure your guests have left the building by 12.00 midnight. Please read the conditions of hire, as an extra charge can be made if these requirements are not met.

The Barn is usually available to hire between 7.00pm and 12.00pm, however the time from which the Barn is available is dependent on the opening hours of the restaurant which varies throughout the year. The seating capacity for the barn is 120 people, but less if you require a dancing area. We also have a few trestle tables that may be available upon request and there are picnic benches on the patio area. The car park has limited lighting. Please advise your guests to bring a torch to help them find their way at the end of the evening. No parking charges apply for your guests on the evening of your event.
