

Dogs

Dogs are welcome at Moors Valley. Please use this map to help plan your visit.

We ask dog walkers to be considerate to other park users, especially children, cyclists and horseriders.

Cyclists: Please give way to cyclists on the 'Through the Forest' singletrack and ensure you and your dog move off the track to let them pass safely. Cyclists have priority on this trail.

Horses: Please be aware that horses may be encountered on the bridleway that runs through the centre of the Forest area and around the top of Moors Lake.
